EDITORIAL

Concerning my office held in this club, I wish to make it known to the membership that in the past I have enjoyed the club and its activities very much.

At last year's nominations I did not care to get on the ballot; but, after thinking it over, I thought, perhaps having a position such as mine, I could get over, or perhaps, pass some of my ideas that would improve the club.

I have sincerely attempted, for the past several years, not necessarily for my own satisfaction, but for the club's benefit, to get across new ideas that would bring in new prospects and put the club on a higher level.

Inasmuch as each and every idea, notion, or attempt to improve the club I have made has either been vetoed, voted down by mail ballot, or just promised by certain members that if I brought it up they would vote it down, that I have given up all hope of any improvements suggested by me.

I plan on finishing my term as Editor, and then taking no political duties other than just as a member. I would, however, consider writing a monthly column in our paper, voicing my opinion and my latest jokes (the printable ones). In that way I could help the Editor get enough material for each issue rather than bi-monthly as has been in the case with me on two issues.

He: I am going to have our marriage
 She: How come?
 He: I just found out your father didn't have a license to carry a gun!"

DENVER TIMBERLINERS -- The Timberliners are having a May Formal Dance at the Cresthaven.

Skiing at Leadville sounded terrific. A perfect day - the sun being out most of the day, with the slopes packed just right. An uneventful trip - no skiing mishaps and everyone got a beautiful rose colored glow from the combination of sun and snow.

Congratulations, Denver Timberliners, on being a member of the American Affiliation of Tall Clubs.

DETROIT TIP TOPPERS -- A big ole picnic is planned for a Happy Memorial Day at Blooner State Park. Bring a lunch.

The Detroit Tip Toppers presented "Dark Victory", May 10-11-12. Price - \$1.20 - at the Detroit Federation of Women's Clubs, Second St Hancock.

"I'm old and grey and still unwed, that's why they call me 'spinster'. I could line my life again, rather be a sinster".

GOLDEN GATE TIP TOPPERS -- The Golden Gate Tip Toppers are having a membership contest. The member who has the most credits wins first prize of one year's free dues - second prize will be six months' free dues. The prospect must attend an activity to be classed as an entry.

The Golden Gate Tip Toppers had a Blood Donor Day, May 5th. A wonderful way to serve the community and country. The Club was interviewed by the paper.

MIAMI TIP TOPPERS -- Your house party really sounds like a howling success. The proceedings got under way with a fashion show staged by the most successful models of the year.

"Women are like money - Keep 'em busy, or they lose interest".

MILWAUKEE TOPPERS -- Canasta - Let's play Canasta was really played at the Toppers Card Party. It was good to have such a fine turn out by all members. Popcorn and plenty of beer made the evening an enjoyable one.

NEW JERSEY TIP TOPPERS --
How To Get On In Life

"Tell me how to get on in life", said the kettle,
 "Take panes", said the window,
 "Never be lead", said the pencil,
 "Do a driving business", said the nutmeg grater,
 "Make much of small things," said the microscope,
 "Never do anything offhand", said the glove,
 "Reflect", said the mirror,
 "Do the work you are sooted for", said the chimney,
 "Be sharp", said the knife,
 "Find a good thing and stick to it", said the glue,
 "Try to make a good impression", said the sealing wax,
 And that's why the kettle sings as she works, and works as she sings.

MAIL BAG (CONTINUED)

SAN DIEGO TIP TOPPERS -- Hope to see you in St. Louis in July. Keep up the good work, President Bob Harwood. The Prez Sez, "Summer is coming - so let's see if we can't have some fun. You only get out of something what you put into it."

(Joke) Heard about the two roosters who got caught in a rainstorm? One made a beeline for the henhouse - the other made a duck under the porch.

(Joke #2) The world's greatest optimist is the old maid who pulls down a folding bed - then looks under it.

ST. LOUIS TIP TOPPERS -- We are really going to have fun in St. Louis in '51 - Let's all keep that in our minds for it isn't long now. It's later than you think.

QUOTED FROM ST. LOUIS TIP TOPPERS CLUB PAPER:

"LOS ANGELES HIGHER UPS

"John Schuler, Editor of High Times discussed a matter that many of the St. Louis Toppers might have thought about from time to time; that is, having their Club listed simply as "Tall Club" in the telephone directory for the benefit of prospective members who might otherwise spend hours trying to contact some member for information about the Club. Why couldn't this same idea be used by the St. Louis Tip Toppers. It wouldn't really be necessary for the Toppers to use any name but our official name since most Tall Clubs seem to be pretty generally known as Tip Toppers. Worth thinking about?"

Did you hear about the cannibal who leaned back after a hearty meal and sighed: "Sometimes I get so fed up on people."

YOUR TREASURER

SPEAKS :

Some of our members have not been very prompt in paying dues in the past. Perhaps this has been the fault of the Treasurer, as she realizes that you have good intentions and hesitates to expose you to your fellow club members as a delinquent - in dues, I mean. Nevertheless, we must abide by our constitution, regardless of your charming and radiant personality which always helps make our parties a success. Here is the wonderful news as given in the By-Laws of our Constitution:

ARTICLE IV (Dues)

(a.) Councilmen, Senior Members and Associate Members shall pay dues of one dollar per month, payable to the Treasurer. No dues for Honorary Members.

(b) A member who is two months delinquent in dues is not a member in good standing; and, therefore, is barred from voting. A member delinquent in dues for three months is automatically suspended from membership.

(c) Only members in good standing shall participate in meetings and be permitted to vote.

YOUR TREASURER SPEAKS (Continued)

BUSINESS MEETING

(d.) A member may resign by filing written notice to that effect with the Secretary, and paying in full all amounts due the club by him.

(e.) A member may apply for leave of absence by filing written notice to that effect with the Recording Secretary, and paying in full all amounts due the club by him, plus one dollar payable in advance for every six months or portion while leave is in effect. Non-payment of same entails loss of membership.

(f.) A member who has been suspended for non-payment of dues may be re-instated by paying all monies due the club had he been in good standing, plus a five dollar re-instatement fee.

If you do not receive your copy of the paper or social calendar card, you will know that you are delinquent in your dues.

At the May, 1951, business meeting, a motion was made and passed that any member could pay a sum of \$10.00 for a year's dues if said amount is paid on or before August 31, 1951. Any new member who enters the club after this date is extended this same privilege, provided he pays this amount within one month after being voted into membership. This is truly a great bargain, so save your money so you can take advantage of it.

Nell Ward
Treasurer

Overheard at a Fashion Show: "Don't let her figure fool you. She's only a bird in a girdled cage."

The June Meeting of L.A.H.U. was called to order by the president, Bill Hewitt, at 8:40 p.m., at the home of Helen and John Payne, June 22, 1951.

Correspondence:

We are invited to share a Tip Topper weekend with them at Catalina, August 11th and 12th.

Treasurer's report was held in advance, as the treasurer is on vacation.

Old Business:

The Bel-Air Hotel was discussed as a possibility for the Anniversary Dinner Dance - Also, the Nichabab, Old Dixie, Mayfair Hotel.

Emma Schuler made a motion that Millie Vossler be our beauty contestant at the National Convention. Motion seconded by John Schuler. Motion carried.

New Business:

We received A.A.T.C. decals to be distributed among members for suitcases, car windshields, glasses, etc.

Jean Nelson made a motion that we send \$4.50 to the Executive Committee for all 45 decals received. Motion seconded by Dave Goettman. Motion carried.

There was a long and lengthy discussion over the National dues now with the Executive Committee.

June Meeting (Continued)

John Payne made a motion that our club vote "affirmative" that the dues be pro-rated back to the clubs. Seconded by John Schuler. Motion carried.

Discussion of our club colors -- blue of the sky and brown of the earth, and how we extend so high, from earth to sky. We would like to submit these same colors for national thinking. We also discussed guards for pins, but didn't come to any real conclusions, except, possibly our own guard on an A.A.T.C. pin.

It was mentioned that our corresponding secretary's name, Helen Payne, should be listed in each paper, so that other clubs reading our paper would know to whom to give such information as they might care to send.

Also, the name of our vice-president, Pat McLean, as "prospect" chairman, should be run in each issue of our paper.

Considerable discussion of a steel file "to house all our important documents" was had. A motion was made by Millie Vossler that we buy such a file. Seconded by Jean Nelson. Motion carried. Helen Payne and Bob Peppmueller were appointed to investigate this.

Pittsburgh Tip Toppers --

What Kind of a Tip Topper Are You?

What kind of a Tip Topper are you?
 Let's stop and take stock.
 Are you a good member,
 Or a social flop?
 Are you the kind that talks a lot?
 When it's time for action,
 You're not on the spot.
 Or are you the kind that attends
 the social affairs,
 And stays at home when the club
 business is aired?
 Are you the kind that just pays
 the dues,
 And shows up once in a while to
 catch up on the news?
 Do you like to dance and enjoy
 yourself?
 Or just sit like a dummy that
 belongs on the shelf?

Are you just a stew that can't
 handle your drink?
 And lay in the bathtub with your
 head in the sink?

Are you the kind that never co-
 operates,

And moans and groans when some
 make mistakes?

Do you only come out with your
 bowling balls,

And the rest of the year we don't
 see you at all?

Are you a hard loser who leads
 with your chin?

Or just laugh at it all if you
 lose or you win?

Are you the jealous type and the
 insulting kind,

Or the catty one with the one-track
 mind?

Take your choice, just for fun.
 It's not hard when You Know
You're One.
